To Whom It May Concern:

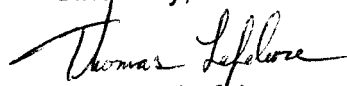

Yesterday, Lefebvre Insurance, LLC was informed of RIASBO's Student Accident Insurance award. We appreciate the opportunity to continue serving the member communities and their students.

Claim payments for each of the past 4 years have exceeded premiums received. Consequently, there were a number of changes required for the 2014-15 Student Accident Insurance coverage. Primarily, the premiums have increased, and there have been a few benefit changes.

Because of these changes, any forms or notices to parents that you may have created, which include reference to premiums or benefits, will need to be changed before being distributed for the 2014-15 school year.

Thank you for your attention to this matter.

Sincerely,

Thomas Lefebvre
